Exhibit C

The CIA's Office of Inspector General published a final report in June 2005 entitled Central Intelligence Agency's Office of Inspector General Report On Central Intelligence Agency Accountability Regarding Findings and Conclusions of the Report of the Joint Inquiry into Intelligence Community Activities Before and After the Terrorist Attacks of September 11, 2001.

The report states that a short note on al-Mihdhar appeared in the UBL Millenium Threat Executive Briefing Summary provided to the FBI Director in early January 2000 (after the CIA received information that Mihdhar's passport had a U.S. visa). This note indicates that al-Mihdhar had arrived in Kuala Lumpur. It did not, however, provide or refer to the visa information.
